101.             <h1>Defenders of Ekron</h1>↵
102.             <p>↵
103.             In Defenders of Ekron, you take the role of Eneas,
     a young and bold cadet that has trained his entire life to pilot
     his Anakim, an advanced mech capable of absorbing and transforming
     the energy around it into a special ability, but something goes
     wrong and Eneas' Anakim doesn't develop it. Eneas will find
     himself powerless to defend his nation from a bursting civil war
     and, at the same time, will reveal dark secrets surrounding the
     Technocratic Republic of Ekron.↵
